

Wednesday 6th November 2013

2.00pm - 3.30pm

Room 839, Graham Hills Building
50 Richmond Street, Glasgow, G1 1XU

**Department of Human Resource Management
In conjunction with Marie Curie
Changing Employment
Research Seminar**

**"Changing employment and the evolution of agrofuel
as a global commodity: technology, toil and territory"**

**Brian Garvey
University of Strathclyde**

This seminar will explore the creation of a market for Brazilian biofuel through EU state and commercial transport developments. It will consider what the globalisation of 'green' fuel and technology means for land and labour in Brazil's rural frontiers.
